Cancellation Fees

Cancellation fees apply for short notice cancellation of services or when no one is home for a scheduled service. The full-service fee up to a maximum of two hours will be charged if you provide less than 24 hours' notice or no one is home for a scheduled service. No cancellation fee will incur if you provide greater than 24 hours' notice prior to the commencement of the service. Sometimes unavoidable emergencies happen at the last minute and services need to be cancelled. If it can be shown that the cancellation or reason for not being home to receive your service is due to an unavoidable emergency, the service will not be charged

We are funded by the Australian Government Department of Health
